CONTRACTED NEURALGIA DURING THE WAR.

"I had a bad case of neuralgia which I contracted during the war. I tried several kinds of medicine but they did me no good until a friend of mine recommended Chamberlain's Pain Balm which gave me immediate relief. I have had no trouble since and must say that I find Chamberlain's Pain Balm a fine liniment. I have since used it for other troubles and always with good results."—J. Viljoen, Jacobsdal, Transvaal. WHAT NEW PROCESS GAS RANGES

Are Doing For Others,
They Will Do For You

Time - Money - Patience

If you can save a little of each of these, to say nothing of comfort and convenience, by using a NEW PROCESS GAS RANGE, isn't it worth your while?

WHEN YOU ARE READY

the gas range is ready; as much heat or as little as you like, no more no less and for as long a time as required. If a hot fire is desired on top and a slow fire in the oven, you may have both sorts, simultaneously. You do not BURN FUEL BEFORE AND AFTER, consequently there is no expense incurred except during the actual operation of cooking.
